

ROBERTS SCHOOL

2016 FEBRUARY- MARCH NEWS

Building Security

The Roberts School, continues to have exterior doors locked after an event in late December. This practice will maintain for an indefinite amount of time. After this event, we began looking at ways to secure our building and make it a safer environment for our students. During this research we found most every school in the state of Montana has the exterior doors locked or a clear site line from the front office to the front door in the case of an emergency. With a clear site line not being an option in our facility, we have looked at alternatives that allow us to communicate with the front office from the front door and open the front door from the front office. We will be reviewing bids for these items at the February School Board meeting.

I appreciate any concerns about the inconvenience and about the door being locked potentially making the school building less welcoming. I hope that people understand that the school administration has discussed these items and feels the best way to serve our students is a safe and secure environment.

Basketball

It is near the end of the boys and girls basketball seasons. Both teams are currently 2-10 and will finish the season with two home games and four road games. The final home game and senior night is scheduled for Thursday, February 11th versus Bridger. District tournaments are scheduled in Huntley Project and will take place from February 17th-20th.

Boys' Junior High basketball under the leadership of John Payovich will begin Monday, February 15th after school. A reminder to home school parents who receive this newsletter there are provisions in our policies that allow students to participate in junior high and elementary activities. If you have questions about this, please contact me.

Montana Digital Academy Program

Roberts Schools has had students taking Montana Digital Academy Classes (MTDA) over the last few years. In the 2015-2016 school year our MTDA program took steps towards becoming a mainstay program at our school. In the fall semester alone forty MTDA classes were taken by Roberts High School students. Those students classes represented various subjects groups. Examples include: Psychology, Physics, AP Calculus, Personal Finance, Sports Marketing, Entrepreneurship, Earth Science, and Foreign Languages. Out of those forty classes Roberts students had a combine GPA of 2.975 Which is basically a B average. This program offers our school the opportunity to provide classes in subject areas that are interesting and engaging to our students in areas we would otherwise not be able to offer due to lack of staffing.

For more information on the MTDA and its class offerings visit this link: <http://montanadigitalacademy.org/programs/course-catalog/>

BPA and FFA Updates

The Roberts Business Professionals of America program competed at Regionals in Wilsall, Montana Tuesday, January 12th. Mr. Frank has submitted a list of results as almost the entire BPA Chapter qualified for the State BPA convention in Billings, March 13th-15th.

The FFA has contest over the next couple months in Bridger, February 3rd; Melstone, February 8th; Joliet, March 2nd; Cascade, March 4th and State Convention in Bozeman, March 30th -April 2nd. We are excited as a school to see how active these two groups have become and hope to see some positive results as they enter their competitive phase of the season.

Alexander Ator

Superintendent Roberts Schools

As always if you have school questions or concerns don't hesitate to call or email me

445 2421 or ator@roberts.k12.mt.us

1ST AND 2ND GRADE HAPPENINGS

Where is the time going? We are already nearing February. Our class is wrapping up our Oregon Trail Unit this week with a simulation. Students will dress in pioneer clothes and will participate in an activity that will let them "experience" what life was like on

the trail. Students will get to taste some of the pioneer food that was brought on the trail in the old days. Students will also be creating a scene from the trail. These will be

on display at school. Make sure to ask your child if they liked the trail food. Stop in and look at our dioramas of the Oregon Trail!

I would like to send a special **thank you** to all the

"Ladies of Kaleva" for coming to our class twice a week and listening to the kids read. It helps me so much to have someone listen to them read aloud and it helps the kids with their reading fluency. I am so grateful for all the hard work and dedication these ladies have demonstrated. Also, ladies, a second **big** thank you for helping me with our snowmen project!!

BUSINESS PROFESSIONALS OF AMERICA

Congratulations to Roberts BPA Members!

Roberts chapter BPA Members attended the Regional Leadership Conference at Shields Valley High School on January 12. BPA Members competed in a total of 16 events. Here is a breakdown of the results. Here are our results of students.

1. Banking and Finance Test - Abraham Hernandez placed 3rd and is going to State
2. Financial Analyst Team - Ryan Miller and Abraham Hernandez placed 1st and are going to State
3. Economic Research Team - Boone Schmaltz, Gus Dines, and Ryan DeVries placed 2nd and are going to State
4. Personal Financial Management Test - Max Romero placed 3rd and Carter Moore placed 4th. They are both going to State for this.
5. Fundamental Word Processing Test - Ryan DeVries placed 3rd and Danny Carter placed 7th and are both going to State.
6. Intermediate Word Processing Test - Gus Dines and Nick Moore did not place.
7. Basic Office Systems and Procedures Test - Bryce Dines placed 4th and is going to State.
8. Advanced Spreadsheet Applications Test - Jess Mysse placed 1st and is going to State.
9. Legal Office Procedures Test - Travis Sheesley placed 1st and Shawn Perkins placed 2nd and both are going to State.
10. Medical Office Procedures Test - Jess Mysse placed 1st, Travis Sheesley 2nd, Brittany Prinkki 3rd, Carter Moore 4th.
11. Java Programming Test - Ryan Miller placed 5th and going to State.
12. Fundamental Desktop Publishing Test - Ryan Miller placed 1st and Brittany Prinkki place 5th and are both going to State.
13. Graphic Design Promotion - Bryce Dines placed 7th. Did not qualify for State in this event.
14. Website Design Team - Abraham Hernandez, Ryan Miller, Travis Sheesley, and Max Romero placed 3rd and did not qualify for State in this event.
15. Advanced Interview Skills - Brittany Prinkki placed 4th and is not going to State in this event.
16. Presentation Management Team - Abraham Hernandez, Carter Moore, Jess Mysse, and Shawn Perkins placed 1st and are going to State.

The BPA State Competition will be in Billings March 13th-15th. Those competing will have an opportunity to attend the National BPAconference in Boston this May. Stay tuned for results after the State competition.

RPPA THANKS DONORS—STUDENTS TREATED TO THE ALBERTA BAIR

For the past several years, the Seidman Foundation has generously provided donations to the Roberts Parents for the Performing Arts, which have been used to provide experiences in the arts for all students at Roberts School. This past year was no different, with a gift in memory of lifetime Roberts resident and longtime school board member John B. Obert. Once again all Roberts elementary classes have benefitted from the generosity of that memorial, which provided tickets for them to matinee performances at the Alberta Bair Theater. In addition, this year the RPPA was able to include tickets for the enthusiastic Roberts Pre-School class to “ride the bus with the big kids” and see the show,

On January 19 Pre-school through 3rd

grade traveled by bus to the ABT, where they were entertained by “The Stinky Cheese Man & Other Fairly Stupid Tales.” The stage play, based on the book of the same name by author Jon Scieszka and illustrator Lane Smith, uses Jack and the Beanstalk as a basis for the story. When the hungry giant catches Jack, the hero tries making up stories to entertain the giant and spare his life. The stories are new treatments of old favorites such as a tortoise racing a hair-growing hare, Cinderumplestiltskin, Little Red Running Shorts and a pesky, bread-obsessed Red Hen. The students were delighted by the examples of making stories their own and seeing new possibilities for the familiar.

On February 11 the 4-6th grade classes

will make the same journey to the ABT, where they will be treated to “The Lightning Thief: the musical,” based on the best-selling book by Rick Riordan. Modern day protagonist Percy Jackson is shocked when he finds out that he is a demigod son of Poseidon, the god of the sea. Just as Percy is introduced to the gods, goddesses and semi-gods of Greek mythology, the students will witness “... geeking out on ancient Greek at the New York Metropolitan Museum of Art” with Percy and learning about the gods.

Once again, the RPPA and Roberts students are extremely grateful to the wonderful supporters of the arts who have helped make these opportunities available to all students at Roberts School for the past 25 years..

KINDLES FOR KIDS

During the 3rd quarter, students in grades 2-12 are encouraged to read more than ever. Students simply read books and take the Accelerated Reader (AR) quiz for each book (2nd-6th graders take the quiz through their classroom teachers; 7th-12th graders see Mrs. L.). Students receive entries into a drawing

that gives them the chance to win one of four free Kindle Fires!

2nd: 2 AR points = 1 entry

3rd: 3 AR points = 1 entry

4-6: 5 AR points = 1 entry

7-12: 8 AR points = 1 entry

There is no limit to how many AR points (and hence, entries) students can earn, so all students should be

reading as much as possible, especially during the 3rd quarter.

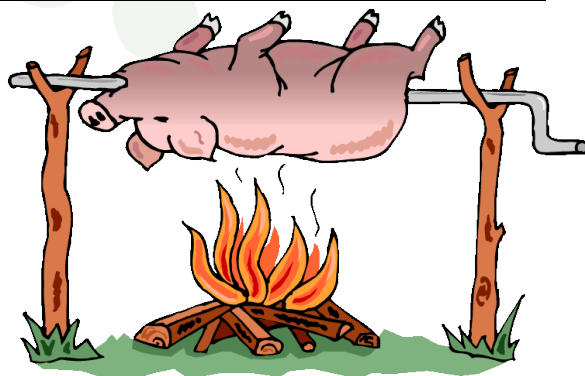

NOTE: We are so thankful for the Star-in-the-West Masonic Lodge in Red Lodge for donating the Kindles. If you know any members, pass our gratitude on!

“Thank you to the Star-in-the-West Masonic Lodge!”

GRADUATION AND FIREMAN’S PIG ROAST

Due to the lengthening of the school year, Roberts School will hold it's 2016 Graduation on June 4th. Tentative time for the graduation will be 1:00 pm. More details to come as we get closer to June 4th.

This is also the day of the Annual Fireman’s Pig Roast which will start at the Fire Hall at 5:00 PM. Mark your calendars!

Roberts School Library Receives \$1,000 Grant from Best-selling Author James Patterson

We recently got word that our library was one of 467 schools nationwide to receive a grant from the Patterson Partnership. Almost 28,000 schools applied for this grant, so we are thrilled to be one of the recipients.

Patterson said, “These grants are my humble acknowledgement of the terrific work taking place in libraries. Here’s to communities supporting school libraries. Here’s to a country that makes reading a priority. Here’s to flourishing libraries!”

The Patterson Grant money will be used to buy new books for the library. Many new books have been added recently, so stop by and check out a book or visit our [Destiny Homepage](#) to

Students Treated to Alberta Bair Theater

For the past several years, the Seidman Foundation has generously provided donations to the Roberts Parents for the Performing Arts, which have been used to provide experiences in the arts for all students at Roberts School. This past year was no different, with a gift in memory of lifetime Roberts resident and long-time school board member John B. Obert. Once again all Roberts elementary classes have benefitted from the generosity of that memorial, which provided tickets for them to matinee performances at the Alberta Bair Theater. In addition, this year the RPPA was able to include tickets for the enthusiastic Roberts Pre-School class to “ride the bus with the big kids” and see the show,

On January 19 Pre-school through 3rd grade traveled by bus to the ABT, where they were entertained by “The Stinky Cheese Man & Other Fairly Stupid Tales.” The stage play, based on the book of the same name by author Jon Scieszka and illustrator Lane Smith, uses Jack and the Beanstalk as a basis for the story. When the hungry giant catches Jack, the hero tries making up stories to entertain the giant and spare his life. The stories are new treatments of old favorites such as a tortoise racing a hair-growing hare, Cinderumplestiltskin, Little Red Running Shorts and a pesky, bread-obsessed Red Hen. The students were delighted by the examples of making stories their own and seeing new possibilities for the familiar.

SPRING BOOK FAIR

It is hard to believe, but we are only a couple months away from our Spring Book Fair! The Book Fair will take place in our library from April 4th-7th. Parents, students and community members are welcome to shop April 4-6 during morning hours or after school. On Thursday, April 7th, the fair will be open during Parent-Teacher Conferences from 4-7:30 pm. So mark your calendar for a great night to celebrate our students and find some great new books. See you at the fair!
