

ROBERTS SCHOOL

FEBRUARY/MARCH 2020

Student Happenings

We are just finalizing the first semester of school. Our students have had a great year academically. Our Business Professional of America (BPA) represented us at regionals in Livingston. The presentation management team was the regional runner-up, while the small business management team took third. Individuals finishing in the top two were: Luke Kosel, 1st Business Law & Ethics, 2nd Legal Office Procedure; Kimberly Bear, 2nd Medical Office Procedures; Emma DeVries, 2nd Advanced Work Processing; Ben Kosel, 2nd Advanced Spreadsheets. Other students placed in the top ten and advancing to state were Jermaine Kuntz, Makayla Pratt, and McKenzie Pitts.

Currently, our High school basketball seasons are well underway. With a few weeks remaining, our girl's team under the leadership of Sarah Shoopman and Shannyn Wilson, sits in fifth in league play with a record of 5 wins and 7 losses. Our boys are playing a Junior Varsity schedule this year as there are no juniors or seniors out. Due to this, they will enter the district tournament in 9th place. The district tournament is to be held at Huntley Project High School on February 19th through February 22nd.

Friday Programs

Ski days have kept us busy for Friday programs in the month of January and conclude on February 28th. On April 3rd, we are hoping to go fishing up at Wild Bill Lake if the weather permits, while our May 8th program is still in the planning stages.

Teachers on Fridays

As many of you are aware our teachers meet one Friday a month for professional development. In January our teachers took the time to become ALICE certified. ALICE stands for Alert, Lockdown, Inform, Counter, Evacuate and is a protocol for worst-case scenarios in schools. The 21st century has created some scary events and we are continuing to strive to make an effort for Roberts to be as safe as possible for the students of this community to attend.

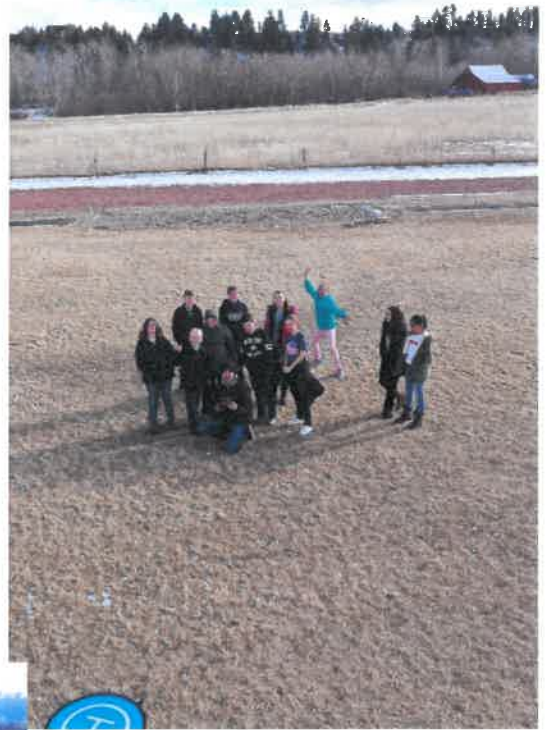

We are using our February professional development time to dive deep into our assessment data to ensure we are providing the best possible education for our students. We will use this data to try to find gaps that exist in our instruction to help guide student learning for the rest of this year. We are also in the process of pursuing the next round of the Montana Comprehensive Literacy Project Sub Grant to continue the programs we have put in place over the last two years.

Thank you for taking the time to read our newsletter.

MS. PARPART'S 6TH GRADE SCIENCE

"In science, the 6th graders have been learning about different types of maps and the way they are created. To give them an authentic experience, Aaron from Vivid Northwest gave a presentation about aerial photography and how it can be used for mapping purposes. He then demonstrated how to fly a drone while discussing safety! Students asked amazing questions and gained lots of new information! Ask them to share something they learned with you!"

It's a Jungle out there Scholastic Book Fair!

Let your imagination grow with

Elephants, Tigers, and Books, OH MY!

All are welcome to purchase books from the fair by stopping in from 4 p.m. -5 p.m. Monday, February 3rd through Wednesday February 6th. Come to Parent-Teacher Conferences Thursday, February 6th AND find some great new books for your family from 4:00-8:00 p.m.

Donations and proceeds from the bake sale will go into the ALL FOR BOOKS Fund. Tiger paw cookies, Jungle Trail Mix, Monkey Munchie snack, and Jaguar Jewel Cookies will be sold to raise money the week before the fair.

ALL funds raised go toward purchasing new books for our classrooms & library. Scholastic MATCHES the ALL FOR BOOKS funds. Once again we will be donating books to Roberts Pre-School and to creating a Birth-Kindergarten section in the library.
