Section 1 - School District Identified Priorities

Priority 1

Ensure equitable access to technology and internet access

Priority 2

Ensure a clean and safe school environment for in-class learning.
We are doing many things to ensure our building is able to be sanitized and cleaned more often and effieciently.

Priority 3

Minimize class size and student pods to ensure as few students as possible have to miss school in the case of a Covid positive student.

Section 3: Goals

Instruments

Instruments or methods that will be used to monitor the progress of the goals and determine if the goals are met are listed here for each goal.

Math Goal	To minimize the effects of learning loss related to school closures and support students in catching up to prior grade level norms within 2 years, using MAP assessments.
ELA Goal	To minimize the effects of learning loss related to school closures and support students in catching up to prior grade level norms within 2 years, using MAP assessments.
Other Goal	To create a safe and welcoming culture that promotes and improvement in schoolwide attendance.

Goals

For each goal find the following below:

- Identify what strategies/action steps will be used to support the achievement of the goals.
- Describe a realistic and achievable timeline to achieve the goals.
- Identify who is responsible to ensure the strategies/action steps are achieved. Click the box and provide the text response for each applicable box.

Math Goal	Increased special education and classroom staffing to support small group instruction, personalized learning, other evidence-based 21st century learning strategies.
